

Shared Ground: Space Scheme Information

Welcome from ENB

English National Ballet brings world class ballet to the widest possible audience through performances across the UK and on eminent international stages; its distinguished orchestra, English National Ballet Philharmonic; its digital platforms [Ballet on Demand](#) and [BalletActive](#); being a UK leader in creative learning and engagement practice, building innovative partnerships to deliver flagship programmes such as [Dance for Parkinson's](#); and through talent development initiatives including Ballet Futures which looks to create a more diverse and inclusive future for the artform.

Under the Artistic Directorship of Aaron S. Watkin, English National Ballet continues to add ground-breaking new works to its repertoire whilst celebrating the tradition of great classical ballet, gaining acclaim for artistic excellence and creativity. 2019 saw the Company enter a new chapter in its history with a move to a purpose-built state-of-the-art home in east London, allowing a renewed commitment to creativity, ambition, and connection to more people, near and far, than ever before.

The Offer – what is it and who is it for?

The **Space Scheme** is part of English National Ballet's artist support scheme, **Shared Ground**, with the aim of giving east London-based independent dance artists and creatives an inspiring space, **FREE OF CHARGE**, at the Mulryan Centre for Dance in which to explore and enrich their creative practice without expectations of a return.

Applications are open to dance artists from **any dance background**, who are **resident in east London, or who can demonstrate that the majority of their work is based in east London**. Residencies are available across the year on stipulated dates: studio space is offered for 5 days to dancers/choreographers with 5+ years' experience, and for 3 days to early career artists. **Applications are essential.**
